## EX-PRESIDENT AND MITCHELL CONFER HERE

Former President Dwight D. Eisenhower will participate in Mitchell's campaign for governor of New Jersey, it was learned this afternoon from the GOP candidate.

After his conference at General Eisenhower's office this morning Mitchell and his aides lunched at the Hotel Gettysburg where the former secretary of labor told a Times reporter:

"I had a very enjoyable visit with former President Eisenhower. I had not seen him since May and I was pleased to note how vigorous he is. Having worked with him for eight years it was a pleasure to see him again. General Eisenhower will come to New Jersey for several meetings, the date of one being set for October 17. We also discussed the progress of our campaign."

James P. Mitchell, secretary of labor for more than seven years under President Dwight D. Eisenhower and GOP candidate for governor of New Jersey, came to Gettysburg this morning, accompanied by a retinue of prominent New Jersey Republicans, to confer with the former President.

Mitchell and his close aides flew from Newark, N. J., to the Thomasville Airport from where they drove to Mr. Eisenhower's offices on Carlisle St. When Mitchell was wheeled up the sidewalk to the office steps, General Eisenhower came out the front door and stepped down three steps to warmly greet his friend and former cabinet member. Mr. Mitchell was in a wheelchair as a result of a broken left leg suffered several weeks ago. The two spoke warmly of impersonal things while a crowd of several hundred men, women and children crowded around.

A half dozen official photographers almost had to vie with tourists to get their photographs.

**LIFTED UP STEPS**

After the brief conversation at the front steps, two husky aides lifted Secretary Mitchell and his chair into the Eisenhower offices and into a first-floor conference room where their conversations took place. Inside, awaiting General Eisenhower and his visitor, were other Republicans from New Jersey who arrived earlier by automobile.

However, before General Eisenhower could enter his offices a youngster rushed forward with pad and pencil and asked for the former President's autograph to which the general graciously obliged. This brought a flood-tide of other youngsters and adults all clamoring for autographs. The ex-

## MOOSE PLAN ANNUAL CRAB FEED AUG. 16

Final plans for the annual hard-shell crab feed of the Moose lodge on August 16 from 5:30 to 9 p.m. at the former CCC camp on W. Confederate Ave. were outlined Thursday evening at a meeting of the Gettysburg lodge at its home on York St.

Gov. Maurice Shindler announced that installation of automatic pinsetters in the lodge bowling alley began Thursday and that the work of installation and refurbishing the alleys will be completed in about two weeks. He added that those interested in bowling in the club league during the coming season are to sign a list at the lodge by August 26. The teams will be selected during the last week of August and the season will open the middle of September.

Five new members were admitted to become the first accepted under a "Moosehaven 40th Anniversary Membership Campaign" which will extend to next June 30. During the year four "classes" will be inducted into the lodge. Secretary George W. Naugle said the drive will seek to increase the membership from its present 1,779 to 2,000.

Gov. Shindler urged attendance at the monthly meeting of the Pennsylvania Moose Association, Eastern Division, to be held Sunday afternoon starting at 2:30 o'clock at the McSherrytown Moose lodge.

Reports from the newly organized degree team showed the team is rapidly learning its parts and as a result of various practices expects to be able to exemplify the first degree of the Moose at the first induction of a class in the current membership campaign.

## Soviet Reply Says Reds Are Ready To Negotiate Berlin Crisis With West

MOSCOW (AP)—The Soviet government told the United States and other big Western powers in a note today that it was ready to negotiate a settlement of the Berlin question, but warned against military threats.

The note made no specific mention of calling a conference to reach a German agreement although there were rumors in Moscow that the Russians hope to see such a conference before the German elections and perhaps within two or three weeks. The German election comes in mid-September.

The notes, delivered Thursday to the embassies of the United States, Britain, France and West Germany, reiterated the repeated statement of Premier Khrushchev that unless an agreement is reached a Soviet peace treaty will be signed with East Germany without American or other Western participation.

The note was a reply to parallel

## FOUR BRIDGES ARE REPLACED IN ADAMS CO.

The state Department of Highway's program to replace hazardous bridges got into high gear in Adams County this year.

Construction of replacements for four bridges was started, and bids have been received for replacement of a fifth. Plans for replacements for three others are complete, while plans for two other new bridges are nearly complete.

This work is in the first phase of a statewide program to replace hundreds of bridges deemed hazardous because they bear weight and vertical clearance restrictions. Adams County contains 68 such bridges.

### MOTOR FEES

Funds obtained from the state gasoline tax and from drivers license and motor vehicle registration fees are being used to pay the cost of the program.

The four new bridges now under construction will cost \$328,691. Included in the projects are straightened approaches to the bridges.

### BUTLER TWP.

1. Butler Twp., Legislative Rt. 01018, over Conewago Creek, \$91,745, about 20 per cent complete.

2. Between Hamilton and Reading Twp., L.R. 01037, over Conewago Creek, \$121,612, a three-span structure, about 25 per cent complete.

3. Between Straban and Tyrone Twp., L.R. 01004, near New Chester, over Conewago Creek, \$115,334, more than 40 per cent complete.

### STRABAN TWP.

4. In Straban Twp., L.R. 01004, part of the above project, a bridge adjacent to the above structure, spanning a dry creek bed. By means of a change in the creek channel, one bridge will replace the two present bridges.

The first three bridges being replaced are covered wooden bridges and the fourth a steel truss type. They are being replaced by modern steel and concrete structures more than twice as wide as the old bridges and without weight or vertical clearance restrictions.

### MENALLEN TWP.

The project on which a contract has not yet been awarded is in Menallen Twp. along L.R. 01060, a new bridge over a tributary of Opossum Creek. A contract will likely be awarded this month.

The five bridge projects and the attendant improvements on approaches will result in 2.29 miles of new roadway in Adams County.

The first phase of the bridge replacement effort involves 681 structures. By the end of July, 150 bridges had been replaced and work was underway on 178 others. Plans were well advanced for replacement of the 333 others. The first phase will cost an estimated \$42,000,000.

About one bridge in five owned by the state bears a weight or vertical clearance restriction.

## ELTON MYERS, IDAVILLE JP, PASSES AWAY

Elton H. Myers, 74, Idaville, a justice of the peace for 55 years in that community, died late this morning at his home. He had been in ill health the past year and a half.

## Errant Rocket Dives In Ocean

VANDENBERG AIR FORCE BASE, Calif. (AP) — A trouble shooter rocket ran into trouble itself — and ended up in the South Pacific ocean instead of a polar orbit.

Discoverer XXVII was launched Thursday at this big rocket base, destined for a few days' orbiting and it was hoped, a recovery of its ejectable capsule near Hawaii.

It carried special instruments to check performance of various parts of the two-stage rocket. Discoverer XXVII went away at launching and had to be blown up. Scientists had hoped No. 28 would help them learn why.

Instead, No. 28 suffered just as dismal a fate—although it took longer. The launch seemed perfect, the first stage dropped free as planned, and the second stage fired.

But, 90 minutes after launch, instruments disclosed that it hadn't entered orbit. Such portions as survived the fierce friction of re-entry into the earth's atmosphere probably splashed into the South Pacific, experts said.

## SCOUTS VISIT EX-PRESIDENT ON THURSDAY

Former President Dwight D. Eisenhower Thursday noon gave encouragement to efforts of the Allegheny District Boy Scout leaders of Philadelphia in their efforts to substitute character building for juvenile delinquency among the 3,000 boys of Explorer age, 14 to 18, in their district.

Ten of the 46 Explorers in the district and four of their leaders met with the former President at his office Thursday and General Eisenhower had a handshake for each member of the unit and a comment about schools and sports.

Frank C. Dillings, assistant district commissioner, in charge of the group, camped at Pardee Field on the battlefield here for a week. He said he had requested a meeting with the former President as part of an effort "to prove to the boys of our district that by being Explorers they can meet leaders and do things that can never do standing on corners." The Allegheny area has the highest juvenile delinquency rate in Philadelphia.

### PILOT GROUP

The group is also serving as a pilot group to pave the way for Philadelphia Scouts' participation in the Civil War Centennial program here in 1963. The unit returns to Philadelphia Saturday.

The group includes: Dillings, Wilbur J. Boone, Leon Harvey and James Phillips, post advisors; Robert Mueller and Roger Shuttleworth, associate advisors, and Thomas K. Moore, Kenneth J. Moore and Edward Bradley, Post 525; Crist Harvey, Post 539; Malcolm Ray and Metro Jones, Post 292; James Burton and William Rattery, Post 60.

The Scouts were welcomed to Gettysburg by local Explorer Post 73 at a joint campfire Wednesday evening. Dillings said the group will "never forget Gettysburg," not only because of the visit with General Eisenhower, but "because of the help we have had from park rangers, the Gettysburg Travel Council and just about everybody we've met in Gettysburg."

## Weikert Services Held This Morning

Funeral services were held this morning at 11 o'clock for Mrs. Mary Louisa Weikert, who died Tuesday at the Lutheran Home for the Aged, York. Rev. Dr. Paul L. Reaser, her pastor, officiated at the services at the Bender Funeral Home. Interment in Evergreen Cemetery.

### CVV PICNIC SUNDAY

The annual family picnic of District 16, Catholic War Veterans, will be held Sunday afternoon and evening at the Bonneville Club, York Springs, with his pastor, Rev. Arbe Dorsey, officiating. Burial in the Idaville Cemetery. A viewing will be held Sunday evening.

### BOROUGH COUNCIL MEETS

Shoe sale now in progress, big savings. Anthony Shoe Store, Baltimore St., Hanover.

## GROUPS READY ANNUAL FARM TOUR PROGRAM

Members of the Gettysburg Young Farmers Association, Kiwanis Club and Business and Professional Women's clubs Thursday night held a rehearsal for the farm tour they will present Saturday afternoon and evening at the C. J. Waybright and Sons Mason-Dixon farm during the annual Farm-City Day program sponsored by the Young Farmers.

With the aid of the Kiwanis and B and P club, the Young Farmers hope to display to hundreds of visitors some of the operation of one of the most modern farms in the county.

In prior years numerous parents have taken their children to the Farm-City Day program to ride hay wagons through the fields, and see farm operations and the Young Farmers hope that those numbers will increase this year.

### MARK ROUTES

According to the plans outlined Thursday night by the group under chairmanship of Francis Walker, signs will be placed along main routes to the farm to help the visitors reach the place. One of the easiest routes to the farm is along Route 15, the Gettysburg-Emmitsburg Rd., to Spriggs garage, then east on the Bullfrog Rd., turning off that road at signs designating the entrance to the Waybright farm.

A large parking lot has been set aside for visitors' cars. The Business and Professional Women will maintain a stand to greet the visitors, register them and gather them in groups for the tours.

Farm wagons loaded with straw for comfortable seating will take the groups on a tour of the alfalfa, corn, pasture and other fields while a Young Farmer explains the farm operations. One of the stops on the wagon tour will be at a marker placed as part of the dividing line between Pennsylvania and Maryland by the surveyors, Mason and Dixon, more than 200 years ago.

When the visitors return to the farm buildings from the wagon tour, they will be taken to the farm shops, then to the dairy feeding barn where 125 milk cows are fed, then to the milking parlor. From there they will go to the calf barn to see how the calves are cared for and the equipment used. Also on the tour is a hay drying shed where six wagons of hay at a time can be driven into an area heated to 130 degrees where hay is dried overnight.

Modern farm equipment will be on display around the farm, some of it in operation to give the visitor an opportunity to see the newest equipment.

### GLASSES LOST

A pair of dark rimmed glasses was lost on the road between Red Rock Poultry Farm and Biglerville or on Quaker Valley Rd., Glenn Hartman, Biglerville R. 2, reported today.

### MARRIAGE LICENSES ISSUED

The following marriage licenses have been issued at the Westminster: Warren Rudisill, Gettysburg R. 6, and Judith Copeland, Fairfield R. 2; Charles Lamar Hiltz and Myra Ann Hess, Taneytown.

## Four Are Treated For Lacerations

Ronald Stoner, 14, son of Mr. and Mrs. Victor Stoner, York Springs R. 2, was treated this morning at the Warner Hospital for a laceration of his left upper arm received Thursday evening when he bumped into the roof of a pig pen.

Those treated Thursday were Robert Kennedy, 44, Orrtanna R. 1, contusions of the left ankle sustained when a rock fell on his ankle; Pete Nelson, 13, son of Mrs. Mary C. Nelson, R. 2, laceration of the left index finger inflicted while carving wood; Mrs. George Weaver 54, R. 4, laceration of the right little finger suffered while opening a coffee can, and James Hall, 13, Bendersville, laceration of the left foot received from glass.

## HOLD ANNUAL CONVENTION OF WCTU MONDAY

The annual convention of the Women's Christian Temperance Union of Adams County will be held Monday afternoon and night in the Memorial EUB Church, W. High St. Sessions will begin at 2:30 p.m. and 7:30 p.m.

Mrs. Geraldine Conway, Lucasville, Ohio, will be the guest

MRS. G. CONWAY

speaker. Mrs. Conway has spoken in churches, conferences, prayer retreats, schools and colleges, civic organizations and evangelistic crusades. Her work has taken her into more than 30 countries; she has been active in radio and television and in personal counseling, particularly as related to the problem of juvenile delinquency, according to Mrs. Ira Coulson, Biglerville, president of the Adams County WCTU.

Mrs. Conway was the speaker at the annual conference of the Methodist Church of Hyderabad, India, in 1959, and also spoke for the National Assembly of Methodist Youth in Cuba in 1960. She was one of the speakers for the International Christian Leadership Conference in Washington, D. C., in 1961. Recently she completed a film for television called "Meeting Youth."

Mrs. Conway will speak at both sessions of the convention. Persons attending both sessions are invited to bring a box lunch.

Mrs. Conway will also speak to the Youth Department of the Centenary EUB Church, Biglerville, Sunday morning at 9:30 o'clock.

## ADAMS COUNTY REAL ESTATE MARKET VALUE ROSE IN 1960

Market value of real estate in Adams County rose more than four million dollars in the past year while the assessed valuation dropped two-tenths of a per cent below the ratio of assessed to actual market value set a year ago.

The figures were revealed today with receipt by County Superintendent of Schools C. P. Keefer of the current list of market values for real estate in the townships of Adams County from the State Tax Equalization Board.

The state board keeps a running tally during the year of sale prices in the county, assessments for new and renovated property, etc., and works out annually figures for actual value of the properties as compared to assessed values. Those figures are then minit ght reimbursement made to the various school systems.

### MARKET VALUE

Market value of all real estate in Adams County is estimated by the tax equalization board — as of the end of 1960 — at \$127,304,400. That amount is \$4,388,400 more than the \$122,916,000 figure listed a year ago. And that 1959 estimate was \$4,293,000 more than the figure for 1958. Thus the tax equalization board's compilations show that value of property in the county has increased by \$8,672,200 in two years.

According to the state's figures, the county's assessments have not quite kept pace with the actual worth of the county. The assessors have as their goal an assessment of the county's real estate which would represent 25 per cent of the actual value of the properties. In 1960, according to the state's figures, the assessed valuation of \$29,807,415 was 23.4 per cent of actual value. In 1959 the percentage of assessment to actual value was figured by the state at 23.7. In 1958 the percentage was listed by the state as 23.6.

### LATIMORE TWP.

Only one district is listed as "perfect." In Latimore Twp. the percentage of assessment to actual value is exactly 25 per cent. The others vary from 21.8 per cent in Oxford Twp. to 26.4 in East Berlin.

Gettysburg continues to be the most valuable section in the county. Actual value of the property in Gettysburg borough is estimated at \$22,674,500, an increase over the \$21,974,300 actual value of a year ago. The town's \$5,165,484 assessment is listed as 22.8 per cent of actual value. A year ago the town had a \$5,055,899 assessment which was estimated by the state as 23 per cent of actual value.

### NORMAL INCREASE

The second largest area is the Upper Adams school district. The state estimates value of the Upper Adams area at \$17,827,700 and the assessment at \$4,180,748 or 23.5 per cent of actual value. The figures compare to an actual value of \$17,368,800 a year ago and an assessed valuation of \$4,078,046.

All but two of the districts (Continued On Page 3)

## Tough Texas Officers Subdue Plane Hijacking Father-Son Team By Bone Crushing KO Clout To Close Drama

### By BILL RICHARDSON

EL PASO, Tex. (AP)—A father-and-son team hijacked a jet airliner Thursday, caused a furor in Congress, and were captured by one blow from an enraged U.S. Border Patrol official.

The hijacker pair, Leon Bearden, 38, and his son, Cody Bearden, 16, were bound over to a federal grand jury under bonds totaling \$200,000.

On orders from President Kennedy not to deal with the hijackers, that he would not be blackmailed, Border Patrol men shot the tires from the \$5-million Continental Airlines Boeing 707 jet as it rolled toward a takeoff for Havana, Cuba.

### BREAKS HAND

Then, his nine-hour adventure coming to a fast climax, Bearden allowed FBI men aboard as the hostages left the plane—all but Leonard Gilman. Gilman is associate deputy regional commissioner of the Border Patrol and lives in Long Beach, Calif.

When Bearden for a moment dropped his eyes, Gilman with one bone-breaking wallop knocked him to the plane deck, his cheek spurting blood. Gilman's broken hand later was placed in a cast. FBI Director J. Edgar Hoover

said in Washington the elder Bearden in January had visited the Cuban Embassy in Mexico City and indicated a desire to go to Cuba. But the general feeling in Washington appeared to be the Cuban government had no part in the latest U.S. plane hijacking.

### NEAR EL PASO

The hijacking of Continental's Los Angeles - to - Houston flight came soon after the aircraft had stopped at Phoenix, Ariz., and 20 minutes from El Paso on Texas' far western tip.

Bearden and his son, a slightly built blond, entered the cockpit behind two stewardesses.

"We're going to take this plane to Cuba," the elder Bearden told Capt. B. D. Rickards, the plane's commander. "Alter your course 45 degrees to the south."

### SHIFTY PILOT

Rickards, a veteran of 34 years of flying, alerted El Paso International Airport, with a code word that the plane was hijacked. Then he persuaded Bearden that the plane had too little fuel for the Cuban flight and that they must land at El Paso to refuel.

Rickards said Bearden told him there were four armed men on the plane and the captain so messaged the El Paso airport. This

caused some confusion for a time and also caused two of the hostage crewmen, mistaken for pirates, to be roughed up as they alighted.

### VOLUNTEER HOSTAGE

The plane carried 67 passengers, including the two gunmen, and a crew of six, four men and two stewardesses. Among the passengers was Gilman en route on official business to Brownsville, Tex.

When Capt. Rickards, 52, of Redondo Beach, Calif., persuaded the Beardens to allow the passengers to disembark, Gilman volunteered as one of the four who would stay aboard the plane.

Bearden insisted on 10 persons including the crew as hostages, because he said he feared "authorities would not put much value on six lives."

### KENNEDY MESSAGE

Then as Continental's ground crewmen stalled with refueling the plane, the younger Bearden and his father became nervous. They wanted to exchange the big Boeing 707 for a DC6. The company offered a DC7.

But from Washington, meanwhile, came the message from (Continued On Page 3)

## SIGN CONTRACT FOR MILL SPAN

The Adams County Commissioners Thursday afternoon signed the contract for the Hanover Construction Co. to build the new concrete bridge at Kohler's Mill near New Oxford. The company was low bidder when bids were opened last week.

Later Thursday afternoon the commissioners toured the basement of the court house and the of the Adams County Agricultural Extension Association to consider possible quarters for the county agents' office when it is moved from its present location in the rear of the first floor of the court house. No decisions were reached. The commissioners asked the extension association officials to study the possible sites and recommend the one they might find most desirable.

Accompanying the commissioners on the tour were County Agent Frank Zettle and some members of the Adams County Agricultural Extension Association executive committee: President Robert Lott, Joseph Stoner, chairman of the committee's housing committee; Mrs. Emory Gitt, Ralph Tyson and Paul Pitzer.

## EX-PRESIDENT

(Continued From Page 1)

President willingly obliged and signed scores of cards, scratch-pads, albums and other pieces while his military aide, Colonel Robert Shulz, waited at his elbow to usher him into the waiting guests. The usual tight schedule for General Eisenhower had to be sidetracked and Col. Shulz was trying to catch up.

An attractive woman visitor from Illinois stood near a Times reporter clasping and unclasping her hands and saying, "I never thought I would ever see him. Isn't it wonderful? I'm so happy I could cry."

## DISPLAYS AUTOGRAPH

Another tourist, proudly displaying the Eisenhower autograph, said: "When I left home a week ago my daughter asked me to get former President Eisenhower's autograph. I never expected to, but here I have it."

Among those accompanying Secretary Mitchell here were: U. S. Senator Clifford P. Case; former U. S. Senator H. Alexander Smith; Bernard M. Shanley, Republican national committeeman; Mrs. Katherine K. Neuberger, Republican national committeewoman; Webster B. Todd, Republican state chairman; J. Duncan Pitney, chairman, and W. Paul Stillman, Republican finance committeeman; Milton A. Vieser, Essex County finance chairman; George F. Smith, Linden, N. J., of Johnson and Johnson Co.; Malcolm Davis, president of the Fidelity Union Trust Co., Newark, and Frank Wheaton Jr., of the Wheaton Glass Company, Glassboro.

## SCHOOL HEADS

(Continued From Page 1)

gle pointed out increased school funds are necessary "to meet the extra school programs mandated by the state without any provision for extra funds. As long as the state keeps requiring new services without providing additional funds, these funds will have to be raised locally." He noted the fact that where discrepancies occurred, persons could appeal for relief to the commissioners by September 1.

County Superintendent of Schools C. P. Keefe recalled that the revision of the occupation tax resulted from request by the school men that the commissioners change the assessments, "which were inequitable." He said that school boards had to levy "unrealistically high millages." Millages range from 300 in Upper Adams to 200 in Lower Adams, Latimore and Reading. Noting that the new assessment figures increase the occupation assessment "five or six times," Keefe declared that "a good many people will find they are paying less under the new classification than they did before. Others will be taking up their fair share of the tax load."

## Wedding

Gilbert-Snyder

Miss Phyllis Virginia Snyder, daughter of Mr. and Mrs. Edward Snyder, Fairfield, became the bride of Donald Allen Gilbert, son of Mr. and Mrs. Daniel Gilbert, Arendtsville, Saturday, at 8 p.m. in Zion Lutheran Church, Fairfield. The double-ring ceremony was performed by Rev. Otto Kroeger. Miss Lana Sowers played a 15-minute recital. Mrs. Otto Kroeger sang "At Dawn," and "The Lord's Prayer."

The bride, given in marriage by her father, was attired in a white street-length dress and carried white pompons on a white Bible.

Mrs. Richard Heflin, R. 5, matron of honor, was attired in a mint green street-length dress and wore a yellow and white carnation corsage. Richard Heflin, R. 5, served as best man.

The bride is a 1961 graduate of Fairfield High School and is employed as a nurses' aide at the Warner Hospital. The groom attended Biglerville High School and is serving in the local unit of the National Guard. He is employed at the Bookmart.

## Couple Fights After 54 Years Of Wedlock

A marriage that had been peaceful for 54 years suddenly burst into violence July 15 when a 74-year-old Emmitsburg area Negro began hitting his wife over the head with a beer bottle.

William H. Richardson, 130 pounds, was charged with assault and battery after the affray by his wife, Anna Richardson. The case was aired Thursday morning in Magistrates Court at Frederick.

Mrs. Richardson, who outweighs her husband by at least 50 pounds, said her husband was drinking when he began striking her with the bottle.

She said she grabbed a frying pan off the stove and hit him over the head. After she hit him with the pan, he no longer swung the beer bottle.

Richardson said he didn't know anything about the incident until the following morning. He said he thought he had had too much to drink.

Magistrate Byron Thompson told the defendant it was "a late time to start beating up your wife."

He found him guilty and suspended a six-month sentence.

## Countians Held On Burglary Charge

State police and the Perry County sheriff teamed up Thursday to arrest four men accused of burglarizing and ransacking hunting cabins in the New Germantown area.

The arrests followed an investigation begun April 22 when three cabins were looted and continued through Wednesday when five cabins were burglarized.

George Blessing, 21, of Newville; R. 1; Richard Kremer, 21, Carlisle; R. 4; Jack E. Metzger, 24, Gardners R. 2, and Fred L. Wogan, 19, Carlisle, were held in Perry County jail, New Bloomfield, on charges of burglary and larceny.

Sheriff Lester Fuller said the four pleaded guilty before Justice of the Peace Frank Milligan of Newport. Ball was to be set today in Perry County court.

## FREIGHTER AND TANKER CRASH

GIBRALTAR (AP)—The American freighter Janet Quinn and a Cuban-bound Soviet tanker collided in thick fog west of this British naval base Thursday.

The Russians charged the 7,233-ton freighter deliberately rammed the larger tanker—the 17,597-ton Trud as part of the economic blockade of the Castro regime. The American vessel came out the worst in the crash.

Both the Janet Quinn and the tanker were damaged but made Gibraltar harbor under their own steam. No casualties were reported aboard either ship.

The Soviet ship was holed in its forward tank, above the waterline. The tank was empty.

The American ship was holed in two places and taking water when it reached Gibraltar. There also was some damage to the bridge.

A correspondent for the Soviet trade union paper Trud, who was reported aboard the tanker, made the accusations against the freighter in a dispatch to the official Soviet news agency Tass.

## Woman Found Dead In Her Apartment

BETHLEHEM, Pa. (AP)—An autopsy is to be performed today in an effort to determine if foul play caused the death of Mrs. Mary Takach, 32, who was found nude in the apartment she shared with a 45-year old male nursery employee, officials said.

Dist. Atty. George Joseph of Lehigh County said Mrs. Takach was found dead on the floor in the bedroom of the third-floor apartment Thursday night. He said her body was partially covered with a blanket.

Joseph said there were blood stains on the floor and bed, and a 2½ inch-wide laceration about the woman's throat. He said officials were "investigating the possibility of foul play."

Joseph said an all points bulletin was put out to pick up the nursery employee, Vince Durning, for questioning.

## Swiss Diver Ties Cable To Bus; Finds Bodies Of Some Drowned Americans

HERGISWIL, Switzerland (AP) — A diver feeling his way through the murky depths of Lake Lucerne today found some of the bodies of 15 American tourists trapped when their bus plunged off a scenic highway.

"I saw several bodies jammed in the mud inside the bus," the diver, Siegfried Naumann, told newsmen.

"It was quite impossible to count how many there were. Everything was covered in mud, and the visibility in the water was barely more than three feet—even with my lamp."

### FASTENERS CABLE

Naumann succeeded in fastening a steel cable to the bus and planned to tie on another. Barges fitted with heavy cranes stood by to raise it.

The vacation bus came to rest upside down 180 feet deep in the lake. The body of a 16th victim was recovered earlier.

The bus, carrying 35 American tourists and a crew of three, veered off into the lake Wednesday after colliding with a truck. The crew and 19 of the passengers—mostly teachers—escaped while the vehicle rested momentarily in shallow water.

### ALTOONA WOMAN

The only body recovered was identified as that of Miss Julia R. Schulz of Altoona, Pa. Identification was made through a bracelet she was wearing.

Naumann, one of land-locked Switzerland's few deep sea divers, first located the bus Thursday but was unable to fasten the cable.

Police officials said Naumann told them he thought there were at least eight bodies in the bus, but he was not certain.

All but two of the 15 missing are women. The police feared that several of them may have been washed out of the wreck and may never be found.

The highway near the scene of the accident was still closed to traffic, and thousands of vacationing motorists had to make a 60-mile detour between Lucerne and Interlaken, Switzerland's most popular summer resorts.

## FULLMER ONLY MILD FAVORITE

OGDEN, Utah (Pa) — Utah's brawling Gene Fullmer has fought off five successive attempts to relieve him of the National Boxing Association share of the world middleweight championship.

The surprising thought today on the eve of his sixth title defense is that Fullmer is only a mild favorite to retain the crown in his 15-round fight with Florentino Fernandez of Cuba, a novice in championship circles.

The two meet in Ogden Stadium before Gene's home state followers—many of whom are openly skeptical of their champion—and a nationally televised audience.

Neither Fullmer nor his manager, Marv Jensen, are taking Fernandez lightly.

They know the 25-year-old Cuban in his three fights since graduating from the welterweight division has scored knockouts in the 160-pound division.

## Soviet Reply

(Continued From Page 1)

"should lead to the normalization of the situation in West Berlin."

The 15-page note addressed to the United States stated that a separate Soviet treaty with East Germany will be signed "provided that the United States and other Western powers do not cease impeding the solution of the question of a peace treaty on an agreed basis."

The note was delivered only a few hours after Khrushchev told Premier Amintore Fanfani of Italy in a Moscow conference Thursday that he felt a solution was possible without a war but advised the United States and others against making a mistake about Russian firmness.

"Of course the Soviet government would prefer not to proceed to conclude a peace treaty without participation of the Western powers," Moscow's note said.

"It would sincerely welcome a change in the position of the Western powers in the direction of constructive joint action with the U.S.S.R. in the matter of a German peace treaty."

The note, which was signed personally Thursday by Khrushchev, recalled that the German problem was up for discussion at the ill-fated summit conference in Paris May 16, 1960.

The conference could not take place, it said, "as a result of the provocative action of the former government of the U.S.A. toward the Soviet Union."

This referred to the incident of the U2 reconnaissance plane of U.S. pilot Francis Gary Powers which was shot down over the Soviet Union on May 1, 1960.

At 1:48 p.m., the hostages stepped from the plane.

A relieved officer said it was all over.

## HOME FOLKS SHOCKED BY HIJACKING

COOLIDGE, Ariz. (AP) — The fantastic scheme of an itinerant car salesman and his teen-age son to swipe a \$5 million jet airliner and fly it to Cuba shocked their family and friends.

"Ordinary, likeable citizens, was the consensus of Arizona acquaintances of Leon Bearden, 38, and his son, Cody, 16. The two are held at El Paso, Tex., on federal charges of hijacking a Continental Airlines Boeing 707 jet and kidnapping its 67 passengers and six crew members.

Most puzzled of all by Thursday's escape was Bearden's wife, Mary Ruth, 36.

She told newsmen in her modest Coolidge home her husband never mentioned Cuba, expressed no interest in airplanes, jet or otherwise, and didn't have any guns around the house.

"He's been such a good husband and a good father. He never runs around. He plays tennis with me and the children all the time."

She said Cody is a regular boy who likes to sing and play the guitar and is popular with girls. Cody and his brother, Daryl, 15, often chopped cotton for farmers in the area, she said.

The couple has two other children, Jimmy, 7, and Joni, a 14-year-old daughter.

Mrs. Bearden said she knew her husband had a criminal record, "but I don't think it is important."

"I'm married to him and I do owe my loyalty to him. I will stick by him."

## Pitzer Heads Farm Meeting Delegation

Members of the Adams County Farmers Association attended a district meeting of the Pennsylvania Farmers Association Thursday at Camp Hill.

Headed by John Pitzer, president of the Adams County Farmers Association, the delegation included Mr. and Mrs. Otis Livingston Jr., Abbottstown R. 1; Stuart Lucabaugh, Hanover R. 5; Mr. and Mrs. Charles Lott, R. 3; Mr. and Mrs. Calvin F. Bream, R. 3; John Luntz, Fairfield; George Baschore, Littlestown R. 2; and Arthur Shanbrook, R. 1.

Paul Lerew, York Springs, a director of the Pennsylvania Farmers Association, presided at the district meeting.

The morning session reviewed accomplishments of the farmers' organization during the year. The afternoon program consisted of discussion on policy development, membership and advisory councils.

ACCEPTS NEW CALL

Rev. Howard W. Hinkeldey, president of the Hanover Ministerial Association, has resigned as pastor of St. Paul's Lutheran Church, Hanover, effective Sept. 1.

He has accepted a call to St. John's Church, Rockville, Md.

Rev. Hinkeldey is a 1946 graduate of Gettysburg College and is presently serving as president of his alumni class.

## Bonanza Picker Collects \$7,041

CHARLES TOWN, W. Va. — Homer Myers' Tea Day, who bounced into Charles Town from Delaware Park in time to salt away a final week feature at the day track, takes a second shot at local three-year olds tonight as Shenandoah Downs goes into its only weekend free of Maryland competition. The Myers gelding will not have everything his own way though, as Racing Secretary Jim Picarillo has assembled seven of the best sophomores on the grounds for the five-and-a-half-furlong event.

General Manager Bob Leavitt has hopes of coming out of this weekend with a \$30,000 nightly betting average. The figure would give him a cushion against competition during the coming weeks and a shot at the \$305,000 handle for the 51-night session.

A crowd of 5,770 Thursday night put \$271,514 through the windows. One race fan won \$7,041.20 for a \$2 bet Thursday night at Shenandoah Downs when he picked five out of six winners to collect on the Big Bonanza. It was the biggest Bonanza payoff of the week-old Shenandoah Downs summer meeting. Twelve persons in the crowd of 5,770 had four winners and collected \$251.40 each in the Little Bonanza.

### BIRTH ANNOUNCEMENT

Mr. and Mrs. William H. Putch, Caledonia, announce the birth of a son, John Paul, at the Chambersburg Hospital on July 27. This is their second child and first son. Putch, who has been producer-director at The Totem Pole Playhouse for a number of years, will appear on TV August 7 in "P.M. East" with Enice Mars and Mike Wallace who have been Totem Pole players. Mrs. Putch, whose stage name is Jean Stapleton, played in the movie "The Bells are Ringing" with Judy Holliday, and made another movie last winter which will be released in the early future.

## URC RACERS AT SPEEDWAY ON SATURDAY

The United Racing Club's Indianapolis-type speedsters put in their second appearance of the season Saturday night at 8 at Lincoln Speedway, near Abbottstown.

The speedsters, mostly Chevrolet, T-bird, Dodge and Pontiac power plants, will compete in two 10-lap semifinals, a match race between the semifinal winners and a 20-lap final.

When the URC boys were at Lincoln for the first time June 10, Jack Soper, of Elmira, N. Y., gunned No. 54 to victory with Johnny Dodd Jr. (72), of Silver Spring, Md., home second.

Spoer and young Dodd will return Saturday along with former Indianapolis 500 Champion Bill Holland, defending URC point champion Earl Halaquist (4), Bobby Courtwright (3), Hank Rogers (24) and Eddie Gallione (1) among others.

Twenty-five lap features for the speedy Sportsman-Modifieds as well as the strictly stockers will follow the URC slate on Saturday.

Johnny Mackinson returns in quest of his ninth S-M triumph. He tightened his grip on first place in Sportsman-Modified points by grabbing off the checkered flag in last week's double-point 50-lapper while his chief challenger Bobby Hersh was forced out by a flat tire.

## Weather Forecast

Extended forecasts for Aug. 5 through Aug. 9:

County To Get \$17,008.91 From  
Gasoline Fund: Municipal subdivisions in Adams county are eligible to receive \$17,008.91 as their September allocation from the motor fund under terms of legislation approved by Governor Edward Martin. Requisitions for the quarterly payment are now being prepared by the Department of Highways under whose jurisdiction the money is expended by the local government units.

The money is being paid to cities, boroughs and first and second class townships as their share of the tax levies on motor vehicle gasoline consumption. Local government units may expend this money for street, bridge and road maintenance of construction.

**No Accidents In Heavy Traffic**  
Over Weekend: Despite heavy traffic that crowded Adams county roads over the week-end no accidents were reported to the local substation of the Pennsylvania State police.

A number of motorists were arrested for various violations of the motor code during the weekend by the state officers.

Roy C. Rinker, Hampton, was charged before Justice of the Peace Robert P. Snyder with making an improper pass. Reuben Heck, Franklinton, was charged before Justice C. L. Weaver, Dillsburg, with failure to stop at a stop sign.

**Miss Gail Bell Ends 46 Years As County Teacher:** Miss Gail R. Bell, Gettysburg R. 4, near Hunterstown, has retired after teaching in Adams county schools for past 46 years. The office of the Adams county superintendent of schools announced today.

Miss Bell, who remained in service past the optional retirement age in order to help out during the war-time shortage of teachers, retired with the closing of Rocky Grove school in Straban township at which she had been a teacher for the past four years.

A graduate of the elementary school at Hunterstown, she attended Shippensburg State Teachers college and received a normal certificate from the institution in 1900.

**Miss Fullmer Is Bride Of Donald B. Shetter Sunday:** Miss Marian Elaine Fullmer, daughter of Mr. and Mrs. Earle Fullmer, Carlisle R. 6, and Donald Bruce Shetter, son of Mr. and Mrs. Ralph B. **Today's Talk**  
ON SWALLOWING

Long before I understood what it was all about there was deep interest to me in the food I ate after it had been swallowed. I wondered just how it was cared for and just how the body absorbed it.

I have since learned much of the process of digestion and the wonderful way in which our Creator arranged every detail so that even our blunders in eating might be straightened out, and no lasting harm come to the body.

The process of swallowing means so much because it is the beginning of great things of growth that I like to think of swallowing a different way.

Swallowing disappointment, for instance.

All of us have to do this at some time or other. But here again the process of digestion does its service. Disappointment comes. We swallow it, keeping brave, and trying not to "make a face" over it. Later on we find that instead of doing us harm and working ill to our happiness in reality we have been made stronger, more fit, and better able to face life at its best and its worst.

It is a good thing that we cannot always see very far ahead. We would worry our heads to pieces if we could!

To be honest, kind and brave, to take the days as they come and fill them with the best of which we are capable, to reflect upon the acts of our past but without regrets for all the mistakes we have made, to take a stoic stand and weather life in all its moods and moods, to forgive all wrongs both intentional and unintentional, to fight on happily and gladly—and then to swallow the rest—these are the steps of life that lead us to contented night-falls.

After the disappointment, blunder, regret, or whatever it is, has been swallowed, the process of digestion begins in earnest and then a man or woman is made!

Tomorrow Mr. Adams will talk on the subject: "Like A Told Story"

Men may come and empires may crumble, but circuses go on forever.

The Great King Bros. 3-Ring Circus is coming to Gettysburg, Monday, August 28.

It was announced today by the local VFW Post 15 for their charity activities during the year.

One of the major features of the King Bros. Circus is its famous enlarged menagerie. There will be a herd of performing elephants, camels, lions, tigers and indeed a vast assortment of wild animals from the forest and jungles. Bolivar, one of the largest elephants in the world and believed to be nearly 100 years old, will occupy a conspicuous place in the menagerie.

Jennie O'Brien, sensational star of the high trapeze, will be seen along with the Apollo family of gymnasts and acrobats; the flying Jordans, aerialists from Sweden; the Silverton Trio, risley performers from England and among the highlights of this season's program. Bozo Yale, Fred De Voe; Harry La Pearl and Chic Lee will head the congress of clowns and funmakers. They promise to uncork the latest in the way of saw dust fun and laughter for the little folks.

J. E. Kerrigan, chairman of the fund raising committee, announced an advance telephone sale of tickets will be conducted.

**JENNIE O'BRIEN**

Persons contacted by phone will be urged to buy tickets which will be presented to children who otherwise might not be able to attend.

William Aspers, president of the VFW Home Association, announced that all money raised on various projects must, under the charter, be used for civic or charitable projects.

Doors to the circus will open at 1 and 7 p.m. Performances will start promptly at 2 and 8 p.m.

## Eagles Blank Elks 7-0 In B-L Playoff; Legion Faces Phillips Tonight

The Eagles, regular season champions, advanced to the playoff championship Big Little League game Thursday evening by blanking the Elks 7-0.

Tonight at 6 o'clock the American Legion opposes Phillips 66. The winner of this evening's game will meet the Eagles Saturday evening at 6 o'clock for the playoff title.

After scoring four runs in the top of the third inning, the Eagles wrapped up their scoring with three more in the third inning. With one out, Gary Guise singled and Charley Greiner walked. Charley Schleiter followed with a double to left to score Guise and Greiner. Buddy Giberson tripled to left to send Schleiter home after which the next two batters were retired.

Schleiter turned in a fine hurling performance for the winners, allowing but one hit, a single by James, fanning seven and walking one. He was given excellent fielding support by his teammates.

Collins started on the mound for the Elks and was charged with the loss. Newman finished on the hill.

## JOE BELLINO PLAYS HIS LAST GAME TONIGHT

By CHARLES CHAMBERLAIN  
Associated Press Sports Writer  
CHICAGO (AP)—Navy's Joe Bellino, the smallest All Star, tonight could become one of the biggest heroes of the midsummer football classic in Soldier Field that sends a squad of picked graduates collegians against the Philadelphia Eagles.

The 5-foot-7-inch, 173-pound All-America halfback—a Navy ensign—will be playing in his last game and would like to make his departure a long-remembered one. After it is over he will return to Annapolis for duty.

The 28th annual game sponsored by Chicago Tribune Charities Inc. will attract about 65,000 spectators and will be televised and broadcast by ABC starting at 9 p.m. Eastern Standard Time.

Bellino, 23, is the type of break-away runner and adept pass catcher that the National Football League champion Eagles know they must stop. He will be a marked man. But his last game could be a big one.

Although a saturation bombing by passers Norm Snead of Wake Forest, Bill Kilmer of UCLA and Tom Matte of Ohio State seems likely, the All Stars are well prepared to run against the pros.

The Eagles have a defensive secondary that could be tough against passing. But their line-backing could stand improvement and, defensively, they appear only moderately efficient against running.

The Eagles have been installed a 10-point favorite although they must face one of the better All-Star groups without the leadership and aerial power provided by Norm Van Brocklin last season. He is now coach of the Minnesota Vikings.

The pros have won 17 of the 27 games played and two have

## DETROIT NIPS NATS AS YANKS ARE DEFEATED

By THE ASSOCIATED PRESS

The pitchers finally had their day in the American League Thursday yielding only six home runs in five games, five of them in the Chicago-Cleveland contest won by the White Sox 8-6.

The only other home run was hit by Detroit's Rocky Colavito, which gave the Tigers a 2-1 triumph over Washington and narrowed the New York Yankees' first place lead over Detroit to a game and a half. The Yankees were defeated by Kansas City 6-1 with Bob Shaw holding Roger Maris, Mickey Mantle and company to six hits, all singles.

Skinny Brown pitched the Baltimore Orioles to a 3-0 victory over Minnesota. It was the 36-year-old right-hander's third straight shutout and extended his consecutive scoreless string to 32 innings.

## SCHWALL WINS 12TH

Rookie Don Schwall of Boston blanked the Los Angeles Angels 4-0 with three hits for his 12th victory in 14 decisions and his sixth straight.

Brown of Baltimore and Jim Kaat of Minnesota were locked in a scoreless duel until the eighth when the Orioles scored three runs on two hits and a pair of Minnesota errors.

Detroit's Jim Bunning pitched a four-hitter against the Senators. The tall right-hander fanned six for his 12th victory, seventh in his last nine decisions.

## LUMPE LEADS RALLY

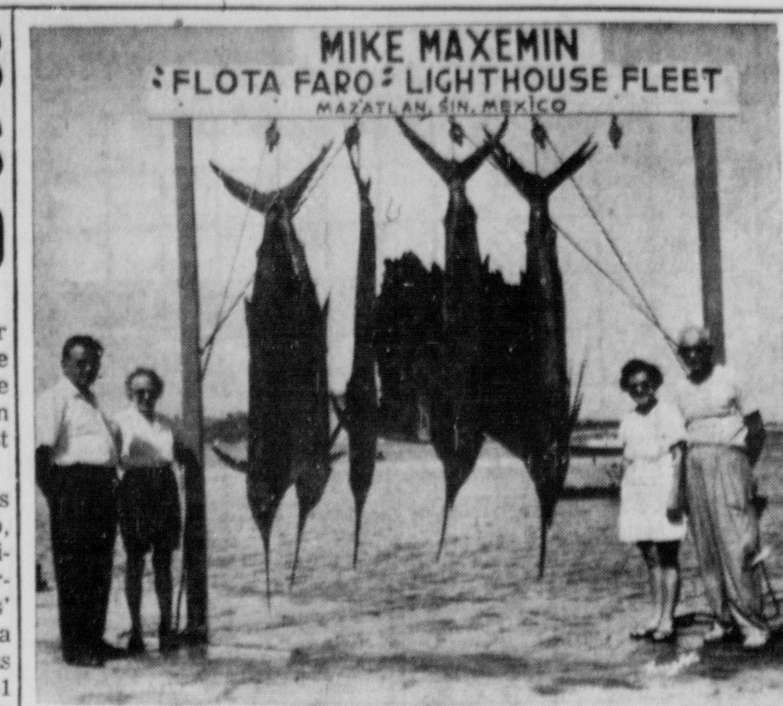

Second baseman Jerry Lumpe, who once played for the Yankees, led the A's nine hit assault against loser Bud Daley, a former Kansas City pitcher. Lumpe had a double and triple, scored twice and drove in a run.

The Red Sox broke up a scoreless pitching duel between Schwall and Ken McBride of the Angels, scoring all their runs in the eighth.

Bubba Phillips got the Indians off to a 4-0 lead with a grand slam homer in the first inning but the White Sox came back with two runs in each of the second, third, fourth and ninth innings. The last two tallies, which proved to be the winning runs, resulted from relief pitcher Frank Funk's wild throw on a bunt. Luis Aparicio, with a home run and two singles, led the Sox' 13-hit attack.

They averaged nine feed, three inches to 10 feet in length and weighed from 105 to 142 pounds. Mr. Sheads caught three of the fish, Mrs. Sheads two and Mr. McClain one. The catches were made from the "Patricia" of the Flota Faro.

## Gettysburg, Littlestown, Upper Adams Win; LL Play Shifts Here On Monday

Gettysburg, Littlestown and Upper Adams picked up victories in the second round of the Adams County Little League double elimination playoffs Thursday evening. Gettysburg defeated East Berlin 7-2; Littlestown eliminated New Oxford from further play by winning a 5-0 decision and Upper Adams walloped Conewago 11-2.

Following the first two rounds, the only two undefeated teams are Gettysburg and Upper Adams. The squads will clash on the Gettysburg field Friday, August 11. Fairfield, which was idle Thursday, will meet Conewago Monday evening on the Gettysburg Little League diamond at 6 o'clock. The remainder of the tournament will be played on Gettysburg's field every Monday, Wednesday and Friday.

Johnny Flynn tossed hitless ball for four innings and had a shut-out going until the final frame as Gettysburg won at East Berlin. Flynn went the distance striking out nine batters, walking three and allowing three hits. Jim Hoff, tall powerful East Berlin pitcher, also went the distance, striking out 11 men, but allowing seven walks. He gave up only four hits.

## HEISER LEADS STICK

John Heiser was the power hitter as he blasted a pair of triples into deep center and right fields to account for the winner's scores in the first and third frames. East Berlin tallied in the final inning on singles by pinch-hitter Larry Peterman and Ernest Sloan, pair of walks and a costly

## Arendtsville To Play Here On Sunday At 2

Gettysburg (4-13) faces a rough assignment here Sunday afternoon at 2 o'clock when it entertains second-place Arendtsville (15-2) in a South Penn Baseball League game.

First-place Littlestown (15-1) will be host to fourth-place Fairfield (11-6) while Huntersville (12-5) and in third place, meets Bonneville (6-11) at New Oxford in other key games.

Completing the schedule on Sunday will be the following games: Taneytown (6-11) at Mummansburg (4-14); Brushtown (7-10) at Harney (8-10); Cashtown (8-8) at McSherrystown (6-11).

All games start at 2 p.m.

# Three Years Of Endless Talks Have Not Advanced Hopes Of East-West Pact

By JAMES MARLOW  
Associated Press News Analyst  
WASHINGTON (AP)—A thousand years from now historians, rummaging around in the East-West diplomacy of our day, may conclude: "What a dreary, monotonous, unimaginative time that was."

For almost three years there has been endless jabber-jabber over Berlin, with neither side coming up with a really new idea except perhaps some skimpy concession which neither pleased nor placated anyone.

Now the whole thing is to be done over again, and probably with the same result.

**BEGAN IN 1958**  
It was late in 1958 when Premier Khrushchev started the fuzz flying with his demand the West get out of Berlin. What he had, mainly, was a big yen to take it over. Even this wasn't new. Stalin had tried it 10 years before.

Such a situation, of course, required a meeting of the Western foreign ministers. But they couldn't seem to think of anything more forward looking than not budging. Then they met with the Russian foreign minister and nobody budged.

Khrushchev finally agreed to an intermission when President Eisenhower asked him over for a visit. Out of this eventually came agreement for a summit meeting in Paris in May, 1960.

**MINISTER'S MEETING**  
Such a situation, of course, required a meeting of the Western foreign ministers. The purpose of their session: To decide what the West should do when Khrushchev sat down with Eisenhower, French President De Gaulle, and British Prime Minister Macmillan.

It was a bleak foreign minister's meeting. They didn't seem able to think of anything beyond standing pat. And by late April, 1960, this writer summed up the total accomplishment after all the talk:

"The Western allies, with months to prepare, apparently are going to the summit meeting with Russia next month with no new ideas. And Russia, despite some big talk, hasn't produced any new ones, either."

**U-2 INCIDENT**  
It was a summit meeting which never came off. Khrushchev wrecked it after the American U-2 spy plane was shot down over Russia. But the main factor in what he did may have been this: The Western diplomats by this time had made the whole prospect of a summit meeting look so dismal that Khrushchev may have felt he'd save face by not having the meeting at all.

Now it starts again. Once more Khrushchev has demanded the Allies get out of Berlin. Once more they've said he'd better not try to force them. And once more the talking begins.

**PARIS CONFERENCE**  
This weekend the Western foreign ministers meet in Paris to discuss Berlin. It will be extraordinary, in view of the past record, if they come up with anything more original than a communique which says they are firm but willing to discuss.

After they go through this it is likely there will be a Western summit meeting—President Kennedy, De Gaulle, Macmillan, West German Chancellor Adenauer—to talk perhaps about a summit-summit with Khrushchev later.

It's easy to understand that even if the Westerners did find some new approach they wouldn't tip their hand to Khrushchev before they sat down with him when, in exchange for some concession from them, they'd want one from him.

The only trouble with this reasoning—just remember the 1955 summit meeting, the years of talks on disarmament and the talks on a nuclear test ban—is that nobody budges and new ideas are few.

# Ghost Town Is Made Retreat By Lutheran Young Adults

By DON MARSTON  
HOLDEN VILLAGE, Wash. (AP)—Lutheran young adults are turning this deserted mining town in the Cascade Mountains into a national retreat.

When the Howe Sound Co. shut its mine here in 1957 because of falling copper prices, Holden Village became a ghost town.

It came alive again this summer when 40 men and women from 15 states, representing the American Lutheran Church and the Augustana Synod, arrived to clean up the hotel, schoolhouse, hospital, four dormitories and 14 homes; to wash windows, chop wood, clean brick, clear trails and mix concrete.

**OIL DEALER**  
All work is under direction of Gilbert Berg, Seattle oil dealer who left his job to give a year's labor to the work.

A Bible student's letter has been credited as the reason that Howe Sound made the unusual outright gift of the town to the Lutheran Bible Institute of Seattle. Its replacement cost has been estimated a nearly \$2 million.

In April, 1960, Wesley Priebe, 38, a student at the institute, wrote the firm to ask about availability of the village for a youth center.

**FREE GIFTS**  
A return letter said the village was available for \$100,000. Priebe, who now works at a Lutheran children's home in Cordova, Alaska, let the idea drop. There had been several previous proposals to develop Holden as a resort, both by commercial and nonprofit groups.

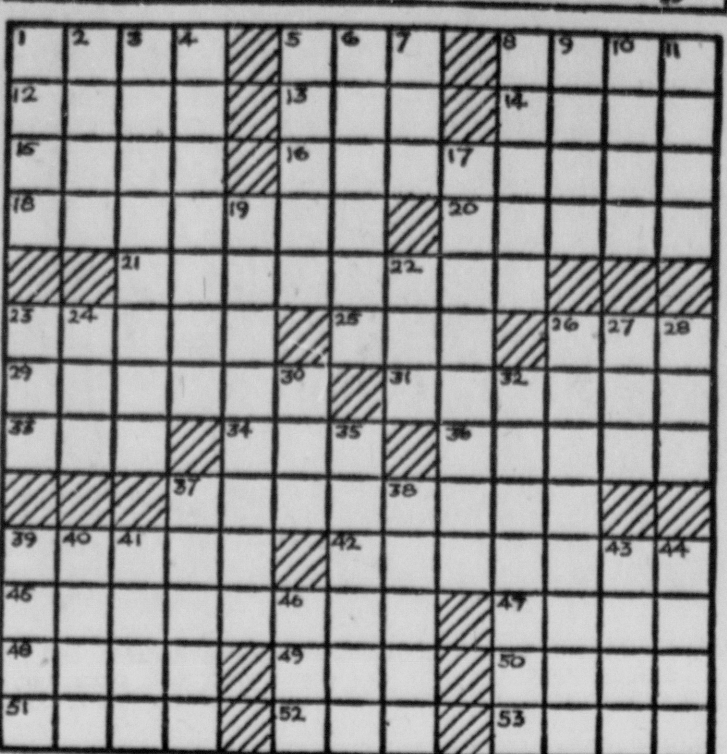

Priebe was surprised by a telephone call a few days later. A Howe Sound official in New York said the firm had decided to give the town to the institute.

"It was a prayer answered," Berg said.

Dr. Wilton E. Bergstrand of Minneapolis, youth coordinator of the Augustana Lutheran Church and program director for the village, says the camp should be ready to operate regularly by 1963. It should accommodate up to 150 persons, probably on a year-round basis even though Holden is buried deep in snow in the winter.

No component of the Amphitrite except the engines is too heavy for one man to lift. The Amphitrite was created to serve as the carrier ship for a jet-powered diving saucer capable of taking explorers 1,000 feet under the sea.

**AILING NAILS.** A lovely asks: What can be done about ridged nails? Mine are as bumpy as a roller coaster. Why should this be?

The Answer: Ridged nails stem from several causes. Horizontal ridges are usually the result of an injury—a crushing blow or harsh manicure techniques.

Vertical ridges may be an inherited characteristic, a hand-me-down from other generations. However, when vertical ridges develop suddenly, it almost always indicates some physical disturbance and a doctor's check is in order.

But however, the problem is caused, appearances can be greatly improved with nail enamel. The first step is two applications of a base coat, preferably the

opaque type. Next brush on two coats of colored enamel. The effective shades are in the medium range, neither pale nor dark. Lastly, apply sealer.

As a guard against horizontal ridging, use a feather touch when removing cuticle. A nail is "born" in the adjacent area. If it is dam-

## East Germany Is World's Only Industrial Nation With Declining Population

**EDITOR'S NOTE**—The spectacle of people running from the republic the Communists have created in East Germany is one that galls the Reds, a drain they would like to clog. It also adds fuel to the fire which keeps the pot of crisis aboil in Berlin. In this last of a series of articles on the background of the crisis, AP reporter John Bausman tells the story of the refugees.

By JOHN BAUSMAN

BERLIN (AP)—For the past 12 years police of Communist East Germany have been tramping up to abandoned homes, fixing a seal on the door and preparing to auction the household goods.

They are the homes of people who left just about everything behind to flee to the West.

Since 1949, when the Communist regime was set up in Soviet-occupied Germany, more than 2,600,000 persons have come to the West. They give continued evidence of discontent with Communist rule. They are key figures in recurrent Berlin crises.

### ESCAPE ROUTE

The vast majority of these refugees funnel through West Berlin, a far easier escape route than trying to cross the tightly guarded iron curtain border that divides East and West Germany.

West Berlin, still occupied by the Atlantic Allies of World War II, is an island of Western territory 110 miles inside that barbed-wire barrier. The refugee who makes his way to East Berlin has little trouble getting to the Western side via subway or elevated train. From there he is flown to West Germany, skipping border controls on the land route.

The Communists would love to close this escape route. For years the East Germans, with Soviet backing, have been seeking control of all routes to and from Berlin.

### UNIQUE SITUATION

The flight of refugees makes East Germany the only modern industrial nation in the world with a declining population.

The refugees are a cross-section of life, with industrial workers and laborers forming the biggest group. There are farmers, tradesmen, housewives, students and such highly trained people as doctors, engineers and teachers.

This last group of intellectuals and experts is a small part of the total refugee flood, but one that hurts the Communists. In the six-year period from 1954 to 1960, East Germany lost 35,000 intellectuals, including 14,000 engineers.

## TUNIS OFFERS TO HALT U. N. CENSURE MOVE

By ANDREW BOROWIEC

TUNIS (AP)—President Habib Bourguiba Wednesday offered to halt Tunisia's efforts to condemn France in the United Nations in exchange for negotiations on French withdrawal from Bizerte. In his most conciliatory statement of the two-week Bizerte crisis, Bourguiba invited France to discuss a "reasonable evacuation timetable."

"All that is really needed is acceptance by France of discussions on evacuation and we will stop our procedure at the United Nations," Bourguiba said.

### ASKS SPECIAL SESSION

Tunisia has asked for a special session of the U.N. General Assembly to condemn France for refusal to withdraw its troops from areas around the Bizerte base. The troops have remained in their positions since the U.N.-ordered cease-fire July 23.

Bourguiba's statement at a news conference came only 24 hours after his right-hand man, Bahi Ladgham, conferred with President Kennedy and Secretary of State Dean Rusk in Washington.

Bourguiba said Tunisia does not want to jump to false conclusions about the "negative attitude of the United States" toward Tunisia's claims on Bizerte because, he said, "We understand Mr. Kennedy's embarrassment."

### DEDICATE POSITION

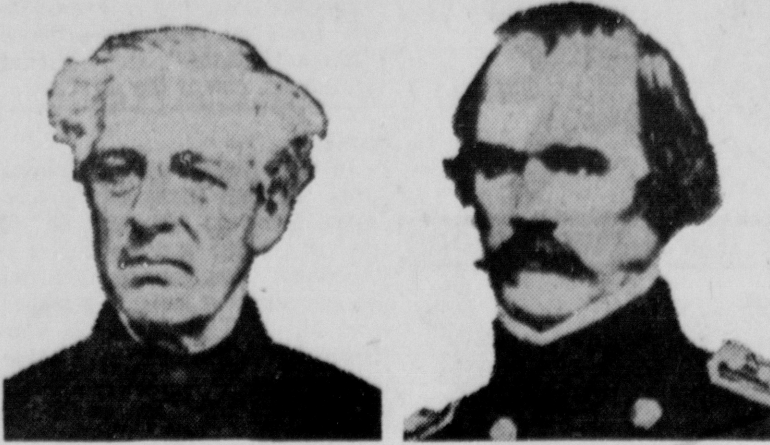

That was a reference to the United States' delicate diplomatic position as a close ally of France and a friend and financial supporter of Tunisia.

Bourguiba described Kennedy as a "sincere man, a man who believes what he says."

At the United Nations, African-Asian nations pressing for an emergency session of the U.N. General Assembly to debate the crisis said they need the endorsement of only three more nations to force the meeting.

COOPER

A. S. JOHNSTON

## Rebel Brass Stewing Over Cooper's Clout

RICHMOND, Va., Aug. 5—Top Confederate Army brass is in a collective tizzy over appointment by President Jefferson Davis of his old friend, Samuel Cooper, as highest-ranking general in the military.

Cooper is adjutant and inspector general with the title of full general, outranking all other officers in seniority.

He is a Northerner by birth—his home is Hackensack, N. J.—but married a Virginia woman and for years has had numerous friends in the South.

He resigned from the Union Army, in which he had served since graduation from West Point in 1815, and immediately volunteered for duty with the South. His appointment to the key adjutant's post by Davis was seen as a reflection of his service with the Federal army as adjutant general, a job he assumed in 1852.

AS RANKING general, Cooper—who has seen little actual warfare—is ahead of several combat-hardened general officers. He is followed in seniority by Generals Albert S. Johnston, Robert E. Lee, Joseph E. Johnston and Pierre G. T. Beauregard, all of whom were fighting men before the outbreak of the current hostilities.

It is within this quartet of outranked generals that the resentment over Cooper's exalted status is said to be sharpest.

## Congress OKs Harsh Law Authorizing Confiscation

WASHINGTON, D. C., Aug. 6—Congress today passed an act authorizing seizure by the Union of all property used for "insurrectionary purposes" against the federal government.

The measure also voided ownership of any slave, who, with his owner's consent, joins the Confederate armed forces or works for the South's war effort in any other capacity.

Under the controversial new law, all property confiscated would be the subject of condemnation proceedings in a U. S. District court.

PORTIONS of the legislation were considered retaliatory to the confiscation proviso adopted by the Confederate government last May 21. Under these laws, any funds owed to Northern firms or individuals—with a few exceptions in the border states—became payable to the Richmond government in exchange for five per cent Confederate States bonds.

Debate on the subject brought forth red-hot oratory from proponents and opponents alike. Rep. Thaddeus Stevens of Pennsylvania, most articulate of the so-called Radicals who pushed the confiscation measures, declared that if the South "must be laid waste, and made a desert, in order to save this Union from destruction, so let it be."

"I would rather, sir, reduce them to a condition where their whole country is to be repopled by a band of freemen than to see them perpetrate the destruction of this people through our agency," Stevens thundered on the House floor.

A TOAST

Here's to the man who's a has-been now,

The man who has tasted fame,

Who has worn the laurel about his brow

And played his part in the game.

Here's to the man who has once been up,

Who was proud when he walked about;

Here's strength to him and a loving cup,

The man who is down and out.

Yes, it is to him that I raise my glass—

And to him that I drink this toast—

Of whom they say when they see him pass:  
"Time was when that chap could boast  
Of fame and fortune and good friends, too,  
He once was a royal scout,  
But he slipped his footing, as some men do,  
And today he is down and out!

What matters the cause of his fall, I pray?  
Was it wine or woman or song?  
We're all of us built of a common clay  
And the best of may go wrong.  
What matter the faults that today we see?  
Time was when his heart was true.

So I drink to him now, whoever he be,  
For the good that he used to do.

## York Springs LL Followed Recipe To Win 1961 Title

What makes a Little League champion?

To start with, the first ingredient would be about 25 young, hustling, determined ball players, then you add a pair of coaches who give up practically every evening during the week and last but not least sprinkle with a couple hundred enthusiastic, non-critical parents and followers.

This is the recipe York Springs came up with and sure enough it came out golden brown in the form of the 1961 Adams-Cumberland Boy's League championship.

York Springs is in a league composed of teams from Idaville, North Dickinson and South Dickinson. The Adams County champs sailed through the regular season winning all 17 games without a setback. The schedule called for 18 games, but rain prevented play on the last night, so league officials felt it unnecessary to play.

### STAGED PLAYOFF

Following the regular season, the league staged a playoff on a single elimination basis. York Springs topped Idaville in a best of three game series, winning 17-3 and 12-6 while South Dickinson upset North Dickinson in its series.

In the first game between the two winners in a best of five game series to decide the overall champion, where little doubt lingered in the minds of the York Springs fans, South Dickinson pulled a stunning 2-1 upset. The loss marked the first defeat for the Springs after 19 straight wins. The first game was called at the end of four and a half innings because of darkness. York Springs traveled to South Dickinson to capture a 7-2 second game decision. Back at York Springs, the Dickinson boys squeezed out a well played 1-0 decision to move ahead 2-1 in the series. In the fourth game, the Springs won 11-2 without much difficulty. In the final game at York Springs, a tremendous triple by Matt Townsend clinched a 5-3 decision and gave the regular season champs the playoff title. The victory gave York Springs an outstanding 22-2 record for the 1961 season.

Don Miller and Harold "Bud" Miller, a pair of capable coaches, turned in a fine job of managing the champs during the season.

As far as the players are concerned, it is hard to pin point any one individual since all had a hand in the title.

### "BIG" NAMES

Among some of the "big" name stars, we could point out the John Hardy, a fine right hander and Todd Tanger, a southpaw carried the load in the pitching department, but received plenty of help from relief hurlers Dor Sowers and Phil Aldinger. Behind the plate was Courtney Bolger, a brilliant 10-year-old back stop, whose specialty at the plate is bunting.

Several outstanding defensive performances were turned in by second baseman Matt Townsend, Dave Reeve, third base, and Ken Miller, first base. The heavy power hitters on the team were John Hardy and Matt Townsend.

The York Springs team entered the league under the generous sponsorship of the York Springs Lions Club.

## Eastern League

By THE ASSOCIATED PRESS

Back in 1959 when he was pitching with Billings, Mont., of the Class C Pioneer League, Art Mehuron hurled a no-hit, no-run game against Great Falls.

He almost duplicated the feat Thursday night when he pitched Lancaster of the Class A Eastern League to a 10-0 shutout over Reading.

Mehuron (9-3) gave up only one hit—a bloop single to Jose Villar in the first inning. After that he retired 14 men in a row, then after an error in the sixth retired the next 11 men in order. He struck out four and did not give up a single walk.

In other games, Binghamton defeated league-leading Springfield 7-4 and Williamsport and Johnstown split a doubleheader. Williamsport took the opener 5-1 but lost the second game 2-0.

## Upper Adams Pony League

Dale Guise's Biglerville Red Legs won their fourth straight victory in the double elimination tournament by rallying in the sixth inning to nip the Bendersville Orioles 6-5 Thursday evening at Biglerville. It was the first loss in four games for the Orioles.

The second game of the playoff title series between the teams will be played Monday evening at Bendersville.

In the last of the sixth, trailing 3-3, the Red Legs came up with three runs on three bases on balls, one hit and an error.

D. Johnston, winning pitcher, allowed four hits, struck out 16 and walked two. His opponent, D. Black, yielded only two hits, whiffed six and walked eight.

### Score by innings:

Orioles — 121 100 0-5-6

Red Legs — 102 003 0-6-2-5

Batteries: Orioles, D. Black, R. Kennedy and P. Black; Red Legs, Johnston and J. Miller.

## CARDINALS ARE HUMILIATED BY PIRATES, 19-0

By JOE REICHLER

Associated Press Sports Writer  
Roberto Clemente, Pittsburgh's Puerto Rican outfielder, thinks the writers erred when they voted his teammate, Dick Groat, over him as the National League's most valuable player in 1960.

The lapping Latin did much to further his cause Thursday night when he cracked five straight hits to lead a 24-hit onslaught against three St. Louis pitchers.

Whether Clemente wins the MVP title or not, he should, barring a catastrophe, capture the batting title. His mark of .366 is 24 points higher than that of his nearest competitor, Frank Robinson of Cincinnati.

### 15TH OVER PHILS

Robinson bashed his 33rd home run as the Reds defeated Philadelphia 7-1 for their 15th victory in as many meetings with the Phillies this season. The triumph enabled the Reds to maintain their game lead over Los Angeles, which nipped San Francisco, 4-3, in 10 innings. Milwaukee defeated Chicago 5-2.

Harvey Haddix was the beneficiary of the Pirates' avalanche of runs against Al Ciochte, Bob Miller and Lindy McDaniel.

Every starting Pirate participated in the merciless slaughter. Smoky Burgess had a couple of homers and drove in six runs. Dick Stuart had a grand slammer and batted in five runs. Bill Mazeroski had four hits, and Bill Virdon, Don Hoak and Bob Skinner had three hits apiece.

### ERRORS GIVES BUMS WIN

Ken Johnson, who joined the Reds July 21, pitched his second victory, spacing nine hits as Cincinnati beat Philly right-hander John Buzhardt for the fifth time this season.

An error by infielder Joe Amalfitano with two out and the bases full in the 10th inning permitted pitcher Larry Sherry to score with the Dodgers' winning run. The hitter was John Roseboro, whose home run in the ninth had tied the score at 3-3. It was an error by Roseboro, earlier, that enabled the Giants to break a 2-2 deadlock with an unearned run.

Milwaukee right-hander Lew Burdette had a one-hit shutout until the ninth when Al Heist singled and Ernie Banks followed with his 19th home run to account for both Chicago runs. Frank Bolling had three hits and Frank

## EASTERN OPEN LEADERS FEAR GENE LITTLER

By GEORGE BOWEN

BALTIMORE, Md. (AP) — Ken Venturi and Tony Lema, leaders of the \$35,000 Eastern Open, wondered today what another Californian, Gene Littler, might do to the Pine Ridge course.

Although Venturi and Lema with scores of 68, four under par, were two strokes ahead of Littler, they had reason to worry about this year's winner of the U.S. Open.

Littler showed in the first round Thursday that without even seeing the Pine Ridge course for a year he can still make his par dance his tune.

In seven of his eight previous rounds on Pine Ridge, Littler had led the Eastern Open. He lost by a stroke on the final 18 holes in 1959 and held on last year to prevail with a score of 273, 15 under

Thomas had a home run for the Braves.

## OUR STRAIGHT BIRDIES

He didn't show up this year until shortly before he teed off and he admitted the lack of renewed acquaintance with the 6,820-yard course left him uncertain about what club to use. After the first nine holes he felt he had shot himself out of contention with a two-over par 38.

But on the 11th Littler's recollection of Pine Ridge returned and he reeled off four straight birdies. His second shot on the 400-yard 13th curled in and out of the cup, missing an eagle.

In addition to Littler, they had to keep a wary eye on the veteran Doug Ford of Crestwood, N.Y. and a young dark horse, Tex Baxter Jr. of Amarillo, Tex. Ford and Baxter started the second round of the tourney—which ends Sunday—only a stroke behind the San Franciscans at 69.

## God Promises Treasures From Darkness, Says County Pastor

By REV. WILLIAM W. RITTER  
Retired, New Oxford

### TREASURES IN DARKNESS

The children of Israel were encompassed about and living in a world of dense darkness, spiritually. The invader was in the land of Israel, plundering, destroying and desecrating the temple and every sacred vessel. Many Israelites were living in captivity and bondage in Babylon. Darkness prevailed everywhere. God in His mercy raised up the prophet Isaiah and sent him to Israel with a definite message of encouragement. This message revealed that though darkness surrounded them, there would come forth out of that darkness real treasures. God said, "I will give thee the treasure out of the darkness." Darkness generally speaking represents anything which is adverse to the welfare and well-being of the lives and souls of men. It is heartening to feel and know that out of darkness there cometh forth treasures. We ought to meditate upon this thought continually and teach this truth to our children so, when darkness appears in whatever form, that darkness will become luminous with treasures more precious and costly than the rarest gem. Man, alone of all creatures, looks up into the sky, observes the stars in the darkness, and find meaning and hope for his troubled soul.

### "GIVES US TREASURES"

God gives to us treasures out of darkness of the natural world. Think of the little worm which spins its own tomb. Some one may say, "Poor silly creature, soon your doom shall be sealed and you shall die." But the little insect knows that when spring arrives it will come forth as a most beautiful winged creature. It has colors and designs which are unique. It is a real treasure as it emerges from its dark tomb. Again, think of the little brown bulb. It is placed in the darkness of the earth. In due season it comes forth as a precious white lily. We think of the egg of the peacock. What could come out of the darkness of that egg? Eventually there is before the eye a bird with myriad colored plumage. Then there is the pearl born in the darkness of the oyster. Then there is the black piece of carbon from the darkness of the earth and we have the precious diamond. What about the stalactites and the stalagmites seen in the blackness of the underground. These and many more illustrations reveal that there are many wonderful treasures which come out of the darkness of the natural world.

of the darkness of the personal world. Acts 16:16-40 reveals how Paul and Silas were beaten, thrown into inner prison and bound. Their feet were placed in stocks. My! what a night of darkness. But at midnight Paul and Silas prayed and sang praises to God. An earthquake shook the prison walls apart. The doors were opened; the chains and stocks were removed and Paul and Silas were free men. Out of that dense darkness of the inner prison there came forth real

treasures. The jailer and his whole household were converted and baptized into the fellowship of the saints. Fanny Crosby, through the misapplication of a poultice when a child, lost her sight. How could any treasures be brought out of this dense darkness? Out of this darkness came many of the finest hymns of the church, to mention a few, "Jesus Keep Me Near The Cross," "Pass Me Not, O Gentle Savior," "Saved By Grace," and many more. There are many infallible proofs that God gives us treasures out of the

personal world. God gives to us treasures out of the darkness of the spiritual world. While Jesus was bleeding and dying on the cross, darkness covered the face of the world. There was a great treasure in that dense darkness. A malefactor, a sinner was also hanging upon a cross. He turned to Jesus and said, "Lord, remember me when thou comest into thy kingdom." Jesus heard his plea, and said, "Today thou shalt be with me in paradise." Yes, a real treasure came out of that darkness. It was

the redemption of an immortal soul. The greatest treasure that ever came out of darkness was when Jesus came forth from the darkness of the tomb. His enemies thought they had Him sealed in the darkness of the sepulcher. "They thought he no longer would be able to spread his strange doctrine; He no longer could stir up the people with His preaching, teaching and healing. Then the third day came. There was an earthquake and the stone was rolled away. Jesus had broken the bonds of death and

came forth to live for evermore. Out of the darkness of the tomb, we hear the words, "I am the resurrection and the life, he that believeth in me shall never die." Again, "Because I live ye shall also live." God has promised to give us treasures out of any darkness that may surround us. The greatest treasure out of the darkness of the tomb was and is eternal life. God does give us many treasures, out of any or all darkness, especially in the natural, personal and the spiritual realms.

# WINGS OF FAITH

WHO does not marvel at the flight of a bird? The roaring jet does not seem such a miracle. It cannot fly with the same grace and beauty and ease.

Every bird must learn to fly. The mother bird pushes her fledgling out of the nest. The young bird falls helplessly until its wings discover the invisible support of the air.

If our lives are to rise beyond frail human nature, we too must learn to fly . . . on wings of faith. We must discover the invisible support of God's presence and power.

Come to Church next Sunday. You can find there the invisible support of God.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## 5,000 MILE TEST FLIGHT IS A SUCCESS

CAPE CANAVERAL, Fla. (AP)—The successful 5,000-mile test flight of a Titan missile has edged the intercontinental range weapon a step closer to combat readiness.

The huge 98-foot rocket covered the ocean-spanning course Thursday night, marking its path with a brightly flashing strobe light. Tracking cameras recorded the blinking light against a background of known stars. The photos will provide accurate position data.

Within a few weeks, Air Force troops are slated to launch a Titan under operational conditions from Vandenberg Air Force Base, Calif. This will signal that the missile is ready for deployment.

The United States will then have two operational intercontinental range missiles. Atlas squadrons are being built up at bases across the western part of the country.

The Titan carried a packet of nose cone decoys in an experiment aimed at fooling enemy countermeasures and devising means of stopping similar hostile decoys.

## PROTEST BLAME PUT ON CUBANS

HAVANA (AP)—Fidel Castro's government protested to the U.N. Security Council today because U. S. congressmen assumed the Castro regime was behind the hijacking of a Boeing jet airliner Thursday.

A Cuban note to the council accused the U. S. government of using the plane incident as a pretext for preparing military aggression against Cuba.

The Castro government charged that U. S. congressmen had launched a virtual ultimatum and

## NO NEW LEADS SEEN IN CAR, BOMB KILLING

PHILADELPHIA (AP)—Police report that questioning of a man convicted in the Pottsville burglar and his brother failed to turn up any new leads in the car-bomb killing of Richard Blaney, the state's star witness in the burglary trials.

John C. Berkery, 31, who was convicted last spring in the theft of what police said was nearly \$500,000 from the home of John B. Rich, and his brother, Edward, 22, a defense witness at John's trial, were questioned Thursday for about 35 minutes.

"We got nothing that would help us," said Capt. David Brown of the Homicide Squad. He added it was "quite possible that they may come in again."

This was the second time the brothers had been questioned following the slaying last week of Blaney.

Police also have questioned two other men who have been convicted in the burglary case, Ralph Staino Jr., and Robert H. Poulson, and Lillian Reis, a night club owner who is awaiting trial.

John Berkery, Staino and Poulson are free on bail pending motions for a new trial. The Commonwealth has moved to have their bail lifted and return them to jail "to protect the lives and property of the community" and for their own protection.

Attorneys for Staino and Poulson have announced they would oppose petitions to return the men to jail.

## Border Patrol Officer, FBI Agent Combine To Subdue Hijackers, Save Airliner

By MARK DEERING  
And DON LUND  
El Paso Times Staff Writers  
Written For The Associated Press

EL PASO, Tex. (AP)—Leonard W. Gilman, 43, played the hero's role Thursday in subduing two gunmen who hijacked a Continental Airlines Boeing 707 and held local and federal police at bay for almost 10 hours.

"The elder gunman was saying, 'I would sooner commit suicide than to turn myself into the authorities,'" Gilman said in an interview Thursday night. "He seemed to be getting hysterical."

"That's when I made my move. I caught him behind the ear and threw a full nelson on him to keep him from getting to the two guns in his hip pocket."

### FBI AGENT MOVES

Francis Crosby, FBI agent in charge of the El Paso office, who was in the plane at the time, jumped the younger hijacker and it was all over.

Gilman, associate deputy regional commissioner in charge of operations of the U.S. Border Patrol out of San Pedro, Calif., told this story:

"When the two gunmen took over the plane they found out I was an officer and they searched me immediately for a gun. After that they kept a close watch on me."

### FREE PASSENGERS

"One of the women became hysterical and began crying. I told her we would see that she got off all right. That's when I talked the hijackers into letting the passengers off."

"I volunteered to be a hostage if they let the rest of the passengers go. When they started to take off from the field, they made the hostages move to the middle compartment of the plane. Then they made us fasten our safety belts."

"Then those on the outside of the aircraft began shooting at the tires."

### HIJACKERS SCARED

Gilman said the elder hijacker became scared at the shooting and pointed his gun at the head of one of the people in the plane.

"His reaction to the shooting outside was one of the more dangerous moments on the plane."

"The boy didn't talk at all but the father was very talkative. I talked the father into taking the gun from his boy."

"I tried to appeal to him as a father. I said the boy didn't know what he was doing and didn't have any business with the gun."

"The father said he was fed up with the American government. He said he was going to Cuba and become a naturalized Cuban citizen."

Gilman said he told the father that only a criminal or a Communist would do what he was doing and make his son help him.

"He refused to answer me when I asked if he was a Communist. He denied vehemently that he was involved with Castro, but

he said he had friends in Cuba. "I asked him if his wife knew what he was doing and he said she did and she would join him in Cuba later."

"We got the father busy talking and I heard some of the hostages slip out the window (at the back of the plane)."

Later Crosby and Gilman tried to get the father and son to give up. They told the hijackers there was no hope for escape.

"I got a glimpse of a border patrolman climbing into the plane through a cracked door," Gilman said. "I caught the father behind the ear and Crosby got the boy and a couple of border patrolmen came through the door to help us."

Gilman suffered a fractured hand from the blow he delivered to Bearden. He was treated at an El Paso hospital and his hand placed in a cast.

"I had him off guard several times, but there were too many people around to risk rushing him. At one time he was holding the gun to the head of one of the hostages."

"I was happy to be there and I might say that all the group acted very well under the circumstances."

Gilman was a boxer and football star at Pacific University of Oregon. He has been with the Border Patrol for 21 years.

## LATIN NATION CASTRO CURBS BACKED BY U. S.

By CLAUDE E. ERBSEN  
WASHINGTON (AP)—Airliner hijacking incidents have thrown the spotlight anew on U.S. and inter-American efforts to curb Cuban Prime Minister Fidel Castro.

The gunmen involved in Thursday's hijacking attempt over Texas were quoted as saying they wanted the airliner flown to Cuba. The gun-toters were not Cubans. Two other U.S. airliners have been hijacked and flown to Cuba since May 1.

Since the failure of the U.S.-approved April Cuban invasion attempt the United States has kept in the background of anti-Castro activities and U.S. officials say there are good reasons for not doing more right now.

### SUPPORTS OTHERS

In a nutshell, what the United States is doing is letting Latin-American nations take the initiative against Castro while quietly supporting their efforts.

The Colombian foreign minister, Julio Cesar Turbay Ayala, is busy lining up support throughout the hemisphere for a crackdown on Castro by the Organization of American States.

Guatemala is bombarding the OAS with stinging denunciations of the Castro regime for "prostituting" the Cuban revolution and delivering his country into the Soviet bloc.

### PRaises NOTES

The U.S. ambassador to the OAS, de Lesseps Morrison, has warmly praised the Guatemalan notes and added his own condemnation for the "communization" of the Castro regime.

Latin diplomats view the Colombian and Guatemalan activities as part of a scheme to force a showdown over Cuba within the OAS.

Having left the Cuban diplomatic initiative to the Latin-American nations, the United States also is protected from possible charges of interventionism or imperialism.

Colombia, whose president, Alberto Lleras Camargo, is credited with having made the OAS a working instrument of international cooperation, is viewed by experts as ideally suited to carry the Latin banner in the campaign against "made in Cuba" Communist infiltration of the hemisphere.

BUDAPEST (AP)—Zoltan Tildy, 72, former president of Hungary who was jailed for his part in Hungary's 1956 anti-Soviet revolt, died Thursday, the national news agency MTI announced.

## Emmitsburg

EMMITSBURG — Francis X. Elder American Legion Auxiliary 121 met Tuesday evening in the Post Home, with Madeline Harner, newly installed president conducting the meeting. Several thank-you notes and invitations to installations were read. It was voted to send \$8.50 to rehabilitation from the sale of poppies, and to donate \$25 to the Boys Camp which is being purchased by the Western Maryland American Legion Posts near Myersville, Md. A food sale will be held on September 16. The president presented Kathleen A. Shorb with her past president's pin. Mrs. Virginia Sanders and Mrs. Margaret Brown reported on the convention which they attended recently in Baltimore.

It was announced that Mrs. Kathleen Gladhill Twigg, a resident of Manchester, and a former Emmitsburg resident, was elected vice president of the Western Maryland District. Mrs. Francis Stinson's name was called for the door prize but she was not present. Kathleen A. Shorb won the draw prize. Refreshment committee for next month is Jane Hess, Geneva Sprankle and Loretta Hardman.

The following committees were named for the coming year: membership, Ann Shorb and Theresa Rodgers; rehabilitation, Helen Rodgers; Americanism, Carmen Topper; legislation, Beatrice Umbel; community service, Charlotte Sanders; child welfare, Margaret Brown; Gold Star, Ruth Brewer; puppies, Margaret Shorb; Girls' State, Melva Ashman; color bearers, Nettie Ashbaugh, Jane Hess; civil defense, Violet Wastler; Pan-Americanism, Dian Small; publicity, Kathleen A. Shorb.

Mr. and Mrs. Fred Bowers, Washington, visited recently with Mr. Bowers parents, Rev. and Mrs. Philip Bowers.

Lt. Col. and Mrs. Richard Hershey and two children are visiting with Mr. and Mrs. Andrew Eyster. They have just returned from a two-year tour of duty in Alaska.

Mrs. John R. Kerr, Hagerstown, and Mrs. E. E. Koepper, Clearspring, visited in Emmitsburg on Wednesday.

Mr. and Mrs. Everett Chrimer and daughters have returned home from a vacation trip.

Mr. and Mrs. Francis Glass and family have returned to their home in Taneytown after spending some time with Mrs. Glass' parents, Mr. and Mrs. Bernard Kelly.

Leonard Sanders is recuperating at his home after undergoing surgery at the York Hospital.

Mr. and Mrs. Paul Keepers visited in Westminster on Wednesday.

Jimmy Shorb, David Shorb, Jimmy Harner, Roger Harner, Michael Shorb, Tommy Harbaugh and Gene Eyster attended the Pennsylvania State Police Exhibition in Harrisburg on Monday.

Intermediate Girl Scout Troop 72 met on Tuesday evening with leaders Mrs. Ralph Ohler and Mrs. Charles Shorb. Karen Shorb showed pictures taken at Girl Scout Camp. An overnight trip and cook-out were discussed and final plans will be made at a later date. Each girl showed her "dunk bag" which she made.

The group learned a new Girl Scout song. The next meeting will be held August 8 at 6:30 p.m. in the front part of Shorb's Barber Shop.

OTTAWA (AP)—Thomas C. Douglas, 56, premier of Saskatchewan, has been chosen leader of Canada's Socialistic New Democratic party. His election had been expected.

Douglas beat Hazen Argue, leader of the new party's dying parent organization the Cooperative Commonwealth Federation.

## TWO KILLED IN HEADON CRASH

ALLENTOWN, Pa. (AP)—A Montgomery County man and his teenage daughter were killed today when their car crossed a medial strip on the Lehigh Valley Thruway and crashed head on into a tractor-trailer truck.

Dead were Wilbert A. Hayes, 30, of Souderton, and his daughter, Colleen, 15, a student at Penn Ridge High School.

Clark Roland, 29, of Everett, Bedford County, driver of the truck, was treated at the Allentown Hospital for shock and body bruises.

State police said a relative of the Hayes, Patricia Hayes, 23, and her friend, Wayne Hoy, also 23, of Lock Haven, were traveling east behind the elderly Hayes' car and witnesses the accident. Patricia suffered shock and was treated at St. Luke's Hospital in Bethlehem. The accident occurred on Route 22, one mile west of the New Smithville Interchange and 16 miles west of Allentown.

BONN, Germany (AP)—The West German government today described the new Soviet note on the Berlin and German questions as "hard in terms but moderate in tone."

That description of the 15-page note was given by a government spokesman shortly after a rough translation became available in Bonn.

The spokesman declined to make public the contents or make any further comment.

NICOSIA, Cyprus (AP)—Saboteurs Thursday night blew up the water pipeline serving the British base area at Dikella, in South Cyprus, for the eighth time in nine days. Cyprus is suffering from a seasonal water shortage, and it is believed the saboteurs are farmers and villagers who resent the supply the British get from a spring nine miles away.

FIRM FOUNDER DIES  
HARRISBURG (AP)—A. J. Lehrman, 78-year-old founder of the A. J. Lehrman & Sons Paper Co., died Thursday at a hospital here after a brief illness.

Lehrman was associated with two sons in the operation of the firm, which deals in paper, janitorial and sanitary supplies.

MANILA (AP)—Nine men have been accused of trying to blow up a Protestant chapel on Samar Island, in the central Philippines, while services were going on. They are charged with attempted murder.

Homes of members of the church also were stoned repeatedly, the police said.

The Philippines is largely Roman Catholic.

## Stakes Race To Close Monmouth

By THE ASSOCIATED PRESS  
A dozen 2-year-olds, some of whom will be heard from when the Kentucky Derby rolls around next spring, are expected to start Saturday in the \$100,000-guaranteed Sapling Stakes which closes out Monmouth Park's 1961 season.

The 6-furlong Sapling and the \$100,000-added American Derby at Saratoga, are the major events on the week-end program. In the West, the \$20,000-added San Diego Handicap, is the Del Mar attraction.

### LOOMS AS FAVORITE

C. T. Chenery's Sir Gaylord looms as the Sapling favorite, and is the top eastern contender for the 2-year-old title until proven otherwise. The Cain Hoy Stable's Battle Joined, unbeaten in three starts, is expected to give him a run for the money in the Monmouth headliner.

Fred W. Hooper's Crozier, a top Kentucky Derby contender this year but victim of Carry Back's late rushes, and Calumet Farm's Beau Prince head the Chicago field. Eight may start in the 1 1/2 mile race.

Saratoga's Alabama, a 1 1/4 mile test for 3-year-old fillies, brings out the long-awaited meeting between Brookmeade Stable's Bowl of Flowers and Darby Dan Farm's Primonetta. Six figure to start.

## MEDICAL HEAD RAPS KENNEDY PLAN FOR AGED

WASHINGTON (AP)—The president of the Pennsylvania Medical Society says the state adequately provides for medical needs of the aged. He claims President Kennedy's social security health plan would lead to socialized medicine.

Dr. Thomas W. McCreary, of Rochester, Pa., told the House Ways and Means Committee in a formal statement Thursday:

"It is our considered opinion that the aged in Pennsylvania who need assistance for their medical care do receive it through the aid that has already been made available by the federal, state and local governments."

RAPS BILL  
He said the Kerr-Mills law enacted last year offering federal participation in a broadened program of medical welfare aid, will be fully implemented in Pennsylvania in the "very near future."

McCreary said the President's medical proposal "will give aid to anyone over 65 whether it is needed or not." He added:

"Many of our social security recipients today have adequate funds to buy the luxuries of life as well as provide for their own medical care. Others' being true Americans and believing in the principles of democracy, wish to be free and independent and have bought for their own protection private insurance."

Stolen bases—Wills, Los Angeles, 18; Robinson, Cincinnati, 17.

Pitching (based on 10 or more decisions) — Podres, Los Angeles, 13-3, .813; Miller, San Francisco, 8-3, .727.

Strikeouts — Koufax, Los Angeles, 174; Williams, Los Angeles, 135.

## Young Mother Of 3, Once Doomed By Nazis, Is Dying

POTTSTOWN, Pa. (AP)—A 34-year-old mother of two who once faced death in a Nazi concentration camp faces death again today from a rare disease.

Mrs. Dudley Bennett has been told by doctors she has only months to live. She is kept alive by drugs and transfusions.

"The way I feel about it," she says, "it will be God's will. If this is the end, then it has to be."

Mrs. Bennett's disease is similar to leukemia, a cancer of the blood. Medical books call it "lupus erythematosus." Its effects are like anthrax. That's what doctors thought it was when Mrs. Bennett first complained of pains in 1957.

Laboratory tests, however, uncovered the truth. Mrs. Bennett, who was then stationed with her Army husband in Germany, was

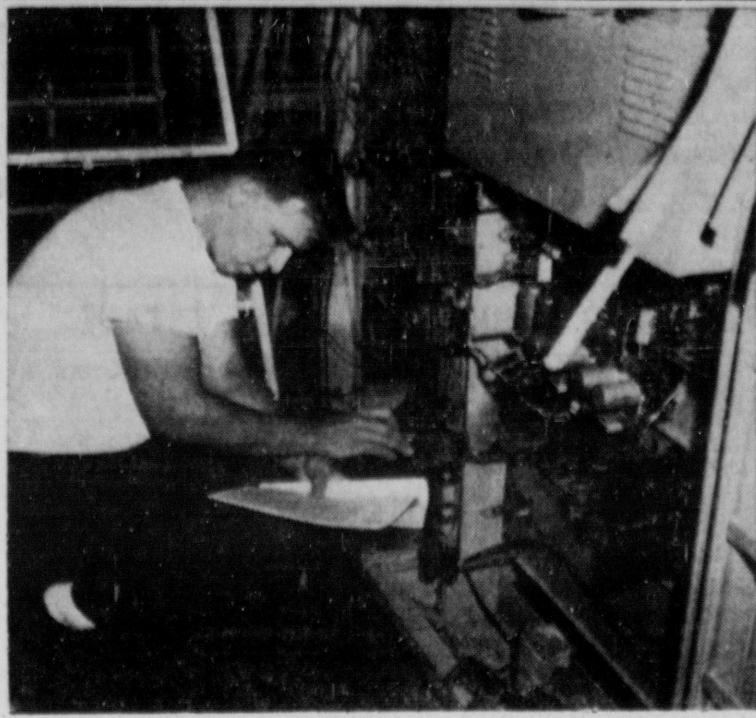

told in 1959 she had eight months to live. She outlived the prediction but periodic attacks have left her bedridden.

### ONCE PARALYZED

Once Mrs. Bennett, tall and thin, with thick brown hair, was reduced to 82 pounds and paralyzed completely. She is still a pretty woman, but drugs have left a tell-tale swelling in her face.

When she is well enough, Mrs. Bennett works to help support her family. During the two years that she and her husband, an Army sergeant stationed at Valley Forge General Hospital, have lived in Pottstown, she has worked as a waitress, and in a dress factory and a shoe polish plant.

The couple lives in a small cottage. They have two daughters, Giesela, 11, and Roswitha, 9.

Intricate dial telephone switching mechanism at Biglerville is shown being checked by equipment installation foreman Edward Novak in preparation for the changeover to dial service there. United Telephone plans to convert Biglerville, Fairfield and York Springs to dial operation August 20.

## McSherrystown

MRS. CLYDE E. STERNER  
ME 7-5334

McSHERRYSTOWN—The Eastern Division, Pennsylvania Moose Association, comprising 22 lodges will meet Sunday afternoon at 2:30 o'clock at McSherrystown. Ragan Harbaugh, president, Chambersburg, will conduct the meeting. A dinner and entertainment will follow the business session.

Members of the Conewago Lions Club of McSherrystown met Wednesday evening at Walter's swimming pool. Later they were guests at the farm of Dr. Gerald W. Krepps, a member of the

club, where a corn bake and doggie roast was held.

Cub Scouts, fathers and committeemen of Cub Pack 107, Annunciation Church, will leave this evening for a weekend of camping at Camp Conewago. Many Cub Scout activities will be conducted there with closing ceremonies on Sunday consisting of a campfire, skits, games, presentation of awards and a family picnic.

The ceiling installation at the McSherrystown engine house has been completed, it was reported by Harry Von Sas at a meeting of the fire company Wednesday evening. President Bernard Smith presided. Eugene Murren announced that the fall carnival will be held Thursday, Friday and Saturday, Aug. 31, Sept. 1 and 2.

"I am thankful for what I have—a fine home, wonderful children," she says. "I'm not afraid. I have been lucky in life."

### ARRESTED IN 1944

Mrs. Bennett and her husband returned from Germany in 1959. She was born and reared there. Her father owned an aluminum factory until the Nazis took it over early in the war and converted it to a munitions plant.

In 1944 Mrs. Bennett her mother and a sister were arrested by the Gestapo and sent to Dachau. She remembers seeing people eat grass to stay alive. And she remembers, she says, seeing other women dragged away by guards to be used as human guinea pigs. In 1945 Mrs. Bennett, her sister and her mother were liberated by American forces.

She met her husband while he was stationed near Mannheim shortly after the war.

## PROPOSE LAWS AGAINST AIR PLANE PIRACY

WASHINGTON (AP)—Amid mounting congressional demands for action aimed at halting air-liner hijacking, a Senate hearing opens today on legislation to make such offenses federal crime punishable by life imprisonment.

That's the penalty for piracy on the high seas.

The proposed bill also would provide stiff penalties for assaulting, threatening or interfering with crew members of commercial airliners and for passengers who carry any type of deadly weapon aboard planes.

Government officials and airlines spokesmen and pilots were summoned as witnesses by the Senate Aviation subcommittee in the wake of an attempt over Texas Thursday to hijack a Continental Airlines 707 jet. The pilot was quoted as saying the gun-wielding hijackers ordered him to fly to Cuba.

### REFERRED TO CUBANS

As Capitol Hill clerks rushed early reports of the hijacking to senators and representatives—some of the first reports said the hijackers were Cubans—temper flared and words grew bitter in Congress.

Most of the anger was aimed at Cuban Prime Minister Fidel Castro, for most Congress members assumed his regime was behind the hijacking.

Less than two weeks ago, an Electra plane with 33 passengers and 5 crew members was hijacked after takeoff from Miami for Tampa, Fla., and flown to Cuba. The passengers and crew were returned to the United States the next day, July 25, but the plane was held in Cuba.

### OTHER MEASURES

It wasn't until Monroney announced the capture of the Beards that senators generally realized Cuba might not be involved.

One of the sections of the proposed bill would make the hijacking of an airliner the equivalent under federal law to piracy, and thus subject to a penalty of life imprisonment.

Another would provide for imprisonment up to 20 years and fines up to \$10,000 for assaulting, intimidating, threatening or interfering with crew members to prevent them from performing their duties.

If the assault or threats were carried out with a deadly weapon,
